Dear Sir,

The African National Congress would like to express, on behalf of the U.S. Amandla Cultural Committee and the struggling people of South Africa, its gratitude for the work you have done and continue doing by contributing significantly to the organisation both politically and financially. Your support can in fact enhance our struggle for the total liberation of our country from racial and colonial discrimination. We appeal to all our brothers and sisters whenever they are to stretch a hand of friendship in this crucial hour particularly when our people are courageously facing the offensive by the enemy. Your financial assistance individually and collectively will indeed help to bring a speedy end to the intolerable situation which continues to persist in our country.

Please accept assurances of our highest esteem.

Truly yours,

N. Simelane
AFRICAN NATIONAL CONGRESS.
